Stargate Plexi Ice

AM

Wide-Range Antenna in Frosted Plexiglass

Attractive frosted plexiglass design

•

Each antenna is a stand-alone unit that can be used alone or together with other Stargate antennas

•

Thanks to its wide detection range, one antenna can cover the whole entrance depending on the aisle width

•

Suitable both for shops with limited entrance space and for shops with larger entrances

Key Features

- Stand-alone antenna
- Attractive frosted plexiglass design
- Jammer alarm
- One electronic box operates up to six antennas

Options

- Antenna protection
- Stargate Xtenders can be used when up to 20cm extra detection range is required
