

MDG V2

The Best Solution for Detection of Aluminum-foiled bags

Thanks to MDG V2, you detect shoplifters using aluminum-foiled bags as soon as they enter the store!

- Many of this kind of shoplifters are professionals, who steal valuable items for resale. Our MDG V2 Solution often costs less than one single visit from a professional thief.

- The presence of an external MDG V2 solution has also a strong, preventive effect.

- The wireless Air Link Pager or Strobe light warn the staff or security guard as soon as the bag is detected.

Key Features

- Suitable for wide entrances
- Silent Alarm
- Interacts with any AM and RF installation

Options

- Air Link Pager
- Air Link Transmitter
- Strobe Light

MDG V2

External Metal Detection

The MDG V2 is a self standing metal detection system available in two different widths, 12 cm and 18 cm. It is possible to install it together with RF or AM antennas.

It operates on TX/RX principle, which means that all the protected aisles need to have minimum two antennas. The main unit is placed in the external controller box. The MDG V2 controller box is able to operate on up to 3 antennas.

The external MDG V2 gives a silent alarm. To display the silent alarm, an Air Link Pager or a Strobe Light are required.

Strobe Light

Visual indication, most retailers install this blinking light next to the check out or in another discreet location.

Air Link Pager

An excellent tool to receive the silent alarm information

Electronic Box

Air Link Transmitter

Specifications MDG V2

Art. no.	102944
Width	120mm
Height	1520mm
Thickness	32mm
Thickness at base	86mm
Weight	5kg
Approval	CE, FCC, ETL
Power consumption	6W/antenna
Detection Range up to	1800mm

Specifications MDG V2 XL

Art. no.	102945
Width	180mm
Height	1520mm
Thickness	32mm
Thickness at base	86mm
Weight	6kg
Approval	CE, FCC, ETL
Power consumption	6W/antenna
Detection Range up to	2100mm

Electronic box MDG V2	413001
Electronic box MDG V2 120V	413009

Colour: Transparent plexi glass with aluminium frame and a blue line

Options

Art. no.

Power cord UK	730225
Power cord EU	730230
Power cord US	730212
Strobe Light	103832
Triaxial cable 150m	413006
Triaxial cable 30m	413007

Air Link

Air Link Pager with display	413002
Air Link Transmitter with display	413003
Air Link programmer tool	413004
Air Link Repeater	413008
